

EDISON MAY 2015

Young, Malaysia

Hi! My name is Young and I am from Malaysia.

I am 20 years old and I study Chemistry.

Languages: Malay, English, Mandarin

My favourite person: mom

My dream job: a teacher

My hobbies: camping, exploring

My motto: My goal is to beat myself.

Why did you choose this project/why did you choose to go to the internship?

I am keen in being exposed to a different culture and also introduce my own culture. I believe Malaysia culture is unique by the fact that Chinese, Malays and Indians all live together, and also people of different religions. And although there might have some misunderstandings or ups and downs, but I'm still glad I have these people in my life.

Christopher, California

Hi! My name is Christopher Wagner and

I am from California in USA.

I am 20 years old and I study International Affairs

Languages: English, Italian

My favourite person: Warren Buffett

My dream job: professional basketball player

My hobbies: sport, skiing, basketball

My motto: Always be prepared.

Why did you choose this project/why did you choose to go to the internship?

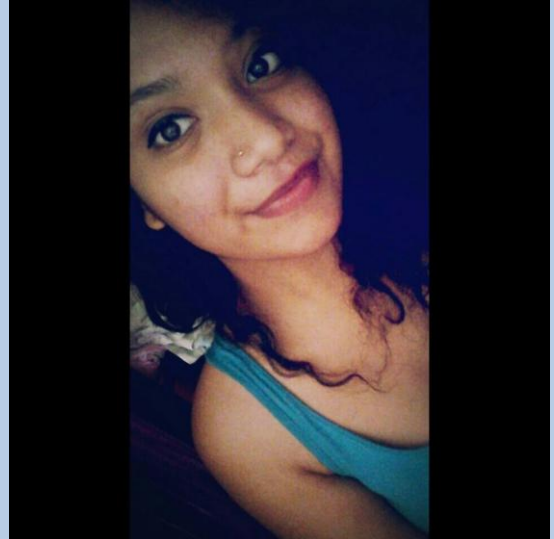

I chose this project because I think it will help me become a stronger leader while developing my communication and public speaking skills. At the same time I will be able to work with kids and hopefully help them achieve their goals.

Apoorva, India

Hi! My name is Apoorva Sonawane and

I am from India.

I am 18 years old and I study Bachelors of Arts in Psychology.

Languages: English, Hindi, Marathi, German

My favourite person: I can't choose one. There are quite a few.

My dream job: To be a doctor

My hobbies: Baking, reading, travelling, photography, listening to music, etc.

My motto: Embrace what you are passionate about.

Why did you choose this project/why did you choose to go to the internship?

I chose to come for this project because it has one of the most different and unique experience to offer. I was very fascinated by the project and the country, too.

Jialin , Singapore

Hi! My name is Jialin Li and

I am from Singapore + China.

I am 21 years old and I study Urban Planning.

Languages: English + Chinese

My favourite person: I have quite a few favourite persons.

My dream job: Chemist

My hobbies: Watching movies & running & reading & cooking & food hunting

My motto: Still looking for one.

Why did you choose this project/why did you choose to go to the internship?

Seeing the world and get inspired.
